

**SOUTHEAST RALEIGH MAGNET HIGH SCHOOL
GRADUATION PROJECT
MENTOR VERIFICATION**

REQUIREMENTS: You will choose a mentor from the school or the community to assist you in the completion of your graduation project. The mentor will assist you with finding research documents to support and answer your Essential Question. In addition, your mentor will help you create a product that is a concrete example of the results of your research. **Your mentor must have the following qualifications:**

- The mentor must be 21 years of age or older.
- The mentor cannot be a member of your family except by special approval from the Graduation Project Committee. This request must be made in writing and include a rationale.
- The mentor must have documented knowledge and expertise in your area of interest. This may include a college degree, business ownership, employment in the area, or hands-on training.
- The mentor must agree to consult with you a minimum of **five times** during the course of your research. This may include a face-to-face meeting, a phone or electronic interview, job shadowing, and/or a site visitation.

MENTOR VERIFICATION

Student: _____
